Who lives in your district?

More and more travellers are choosing transit. Millennials in particular are delaying acquiring driver's licenses, opting for transit passes instead. According to the [Who's On Board: 2014 Mobility Attitudes Survey](#), in the South alone **20% of people under 30 use transit at least once a week and 11% use it to commute at least 3-4 times per week.**

Still, some ride transit not because of its conveniences, but because it's the only way they can get around. Aging adults or persons with disabilities, those who cannot afford the costs of car ownership, and veterans that need transport to medical appointments all depend daily on their local transit systems.

Total population	175,615
Millenials	45,644 (26%)
65 years or older	17,946 (10%)
Veterans	8,038 (5%)
Below poverty line	25,301 (14%)
Living with a disability	8,811 (5%)
Less than one car per worker	6,311 households (9%)
