## Who lives in ARC?

More and more travellers are choosing transit. Millennials in particular are opting for transit passes instead of driver's licenses. According to the [Who's On Board: 2014 Mobility Attitudes Survey](#), in the South alone **20% of people under 30 use transit at least once a week and 11% use it to commute at least 3-4 times per week.**

Still, some ride transit not because of its conveniences, but because it's the only way they can get around. Aging adults or persons with disabilities, those who cannot afford the costs of car ownership, and veterans that need transport to medical appointments all depend daily on their local transit systems.

<b>Total population</b>	<b>4,187,330</b>
Millenials	1,189,498 (28%)
65 years or older	375,111 (9%)
Veterans	223,086 (5%)
Below poverty line	641,988 (15%)
Living with a disability	241,396 (6%)
Less than one car per worker	115,230 households (8%)
