## Who lives in the 35th State Senate District?

More and more travellers are choosing transit. Millennials in particular are opting for transit passes instead of driver's licenses. According to the [Who's On Board: 2014 Mobility Attitudes Survey](#), in the South alone **20% of people under 30 use transit at least once a week and 11% use it to commute at least 3-4 times per week.**

Still, some ride transit not because of its conveniences, but because it's the only way they can get around. Aging adults or persons with disabilities, those who cannot afford the costs of car ownership, and veterans that need transport to medical appointments all depend daily on their local transit systems.

Total population	175,668
Millenials	49,851 (28%)
65 years or older	13,861 (8%)
Veterans	10,790 (6%)
Below poverty line	29,058 (17%)
Living with a disability	10,031 (6%)
Less than one car per worker	3,490 households (6%)

## What transit providers operate in the 35th State Senate District?

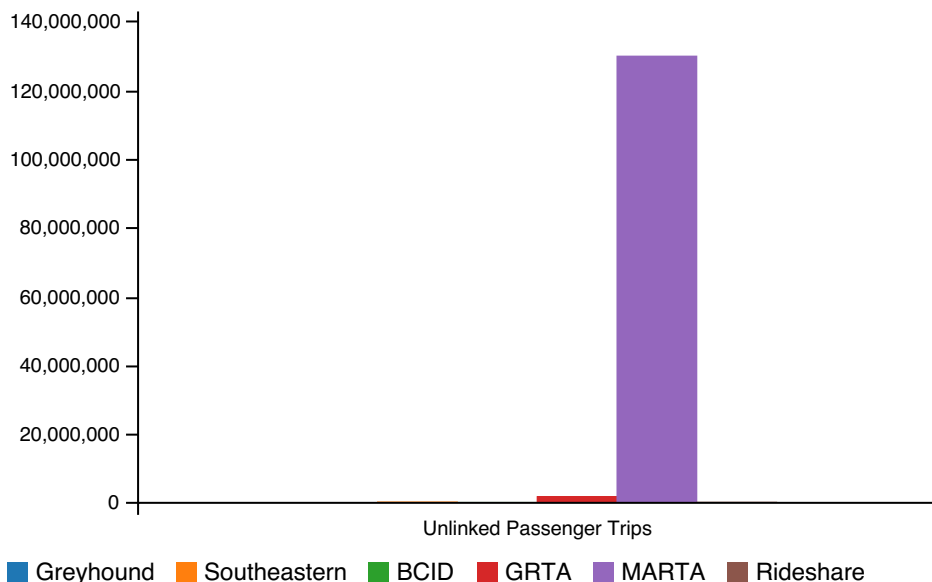

Greyhound Lines, Inc. (Greyhound)  
Buckhead Community Improvement District (BCID)  
Metropolitan Atlanta Rapid Transit Authority (MARTA)

Southeastern Stages, Inc. (Southeastern)  
Georgia Regional Transportation Authority (GRTA)  
Douglas County Rideshare (Rideshare)

## How is transit used in the area?

Transit in Georgia serves hundreds of thousands of Georgians every day. **Transit agencies operating in the 35th State Senate District provide 132,337,405 trips annually.** These services are especially important to the **13,861 (8%) elderly and 10,031 (6%) disabled riders** that depend on transit in this district.

The figure below shows unlinked passenger trips, or the number of times passengers board vehicles, in the 35th State Senate District. For more on service data, visit [atlregional.github.io/gta/#senate/035/service](https://atlregional.github.io/gta/#senate/035/service).

Note: Transit data are aggregated by county and subject to overestimation in small districts. Demographics are reported for the district alone.

## How much does transit cost in the area?

Transit expenses are divided into:

- **Capital** - includes infrastructure and equipment, such as buses and vans, facilities, and technology.
- **Operating** - includes daily costs required to operate the system, such as salaries for bus operators and mechanics, regular vehicle and system maintenance, and general administrative costs.

The figure below shows all funding (both capital and operating) categorized by funding source. For details on this funding data, visit [atlregional.github.io/gta/#senate/035/funding](https://atlregional.github.io/gta/#senate/035/funding).
