Counties

Southern Georgia Regional Commission contains some or all of the following counties: Atkinson, Bacon, Ben Hill, Berrien, Brantley, Brooks, Charlton, Clinch, Coffee, Cook, Echols, Irwin, Lanier, Lowndes, Pierce, Tift, Turner, and Ware.

Who lives in SGRC?

More and more travellers are choosing transit. Millennials in particular are opting for transit passes instead of driver's licenses. According to the [Who's On Board: 2014 Mobility Attitudes Survey](#), in the South alone **20% of people under 30 use transit at least once a week and 11% use it to commute at least 3-4 times per week.**

Still, some ride transit not because of its conveniences, but because it's the only way they can get around. Aging adults or persons with disabilities, those who cannot afford the costs of car ownership, and veterans that need transport to medical appointments all depend daily on their local transit systems.

Total population	409,452
Millenials	121,930 (30%)
65 years or older	51,744 (13%)
Veterans	26,975 (7%)
Below poverty line	97,312 (24%)
Living with a disability	22,282 (5%)
Less than one car per worker	8,736 households (6%)

What transit providers operate in SGRC?

Ware County (Ware)

Tift Transit System (Tift)

Lowndes County (Lowndes)

Brooks County Transit (Brooks)

Bacon County (Bacon)

Turner County (Turner)

Pierce County Transit (Pierce)

Cook County Transit (Cook)

Berrien County (Berrien)

How is transit used in the area?

Transit in Georgia serves hundreds of thousands of Georgians every day. **Transit agencies operating in SGRC provide 33,173 trips annually.** These services are especially important to the **51,744 (13%) elderly** and **22,282 (5%) disabled riders** that depend on transit in this district.

The figure below shows unlinked passenger trips, or the number of times passengers board vehicles, in SGRC. For more on service data, visit atlregional.github.io/gta/#rc/sgrc/service.

Note: Transit data are aggregated by county and subject to overestimation in small districts. Demographics are reported for the district alone.

How much does transit cost in the area?

Transit expenses are divided into:

- **Capital** - includes infrastructure and equipment, such as buses and vans, facilities, and technology.
- **Operating** - includes daily costs required to operate the system, such as salaries for bus operators and mechanics, regular vehicle and system maintenance, and general administrative costs.

The figure below shows all funding (both capital and operating) categorized by funding source. For details on this funding data, visit atlregional.github.io/gta/#rc/sgrc/funding.
