Who lives in the 140th State House District?

More and more travellers are choosing transit. Millennials in particular are opting for transit passes instead of driver's licenses. According to the [Who's On Board: 2014 Mobility Attitudes Survey](#), in the South alone **20% of people under 30 use transit at least once a week and 11% use it to commute at least 3-4 times per week.**

Still, some ride transit not because of its conveniences, but because it's the only way they can get around. Aging adults or persons with disabilities, those who cannot afford the costs of car ownership, and veterans that need transport to medical appointments all depend daily on their local transit systems.

Total population	52,280
Millenials	13,663 (26%)
65 years or older	6,810 (13%)
Veterans	4,366 (8%)
Below poverty line	11,516 (22%)
Living with a disability	2,845 (5%)
Less than one car per worker	960 households (5%)

What transit providers operate in the 140th State House District?

Peach County Transit (PCT)

Crawford County Transit (CCT)

Greyhound Lines, Inc. (Greyhound)

Macon-Bibb County Transit Authority (MTA)

How is transit used in the area?

Transit in Georgia serves hundreds of thousands of Georgians every day. **Transit agencies operating in the 140th State House District provide 1,129,278 trips annually.** These services are especially important to the **6,810 (13%) elderly and 2,845 (5%) disabled riders** that depend on transit in this district.

The figure below shows unlinked passenger trips, or the number of times passengers board vehicles, in the 140th State House District. For more on service data, visit atlregional.github.io/gta/#house/140/service.

Note: Transit data are aggregated by county and subject to overestimation in small districts. Demographics are reported for the district alone.

How much does transit cost in the area?

Transit expenses are divided into:

- **Capital** - includes infrastructure and equipment, such as buses and vans, facilities, and technology.
- **Operating** - includes daily costs required to operate the system, such as salaries for bus operators and mechanics, regular vehicle and system maintenance, and general administrative costs.

The figure below shows all funding (both capital and operating) categorized by funding source. For details on this funding data, visit atlregional.github.io/gta/#house/140/funding.
